

clino® II

Maximum convenience in operation and use

The standard hoist, clino® II, shows its charm in convenient operability. It has a fast motor, high-quality, easy-running castors and a bright, friendly appearance with a neutral colouring. In addition to home care, clino® II can be implemented very effectively for in-patient applications.

The advantages of the clino® II:

- More convenience thanks to high motor power
- Faster lifting and lowering is possible; lifting time is shortened
- High-quality castors with excellent rolling ability; easy manoeuvrability is possible even in small rooms and through narrow doors
- Can be easily folded and transported without tools
- Effortless take-up of persons directly from the floor
- Convenient handling with large buttons
- Mechanical spreading of the chassis per foot lever
- Highly stable thanks to robust construction
- Low ground clearance, also suitable for aks scissor beds
- Max. load capacity 150 kg

Options and accessories

- Battery pack with separate charging station on the wall
- Many hoist slings, diverse spreader bars and hoist scales
