

### notto

The useful bedside cabinet at the care bed

A mobile bedside cabinet at the care bed provides the necessary support and assistance for care and daily life. It is used for placing or storing personal and nursing items. Always in reach of the bed, both patient and caregiver can easily and conveniently use the objects. The bedside cabinet completes the inventory of any care room.

#### Advantages of the notto:

- Stable, practical aid for depositing and storage
- With integrated pull-out bed table for comfortable consumption of meals, reading, games etc.
- With generous storage space
- Flexible handling and positioning
- Can be used from two sides, pull-out drawer on both sides, freely accessible middle compartment and door on both sides in the lower area, with removable shelves
- Mobile, with four castors and two lockable castors for secure positioning
- Easy to maintain, plastic-coated beech decor panel
- Rounded storage surface and pull-out bed table
